25X1 4. [] Met with Mr. William Gullledge, Staff Director, Senate Post Office and Civil Service Committee, and learned that the report (1476) concerning H. R. 5932 had been filed on Tuesday, 18 August, and had been placed on the calendar of business at order number 1413. Depending upon the action of the Senate this evening when it is planned to recess early for a reception of members of Congress by the President, there is some possibility that this bill will be reached on the call of the calendar and, if no objection is raised, passed by the Senate.

25X1 5. [] Met with Mr. William A. Irvine, Professional Staff Member, House Post Office and Civil Service Committee, who advised that he and the Committee Counsel had met with the House Parliamentarian who advised that due to the press of business it would be best not to bring up H. R. 5932 for consideration until the House returns after the Democratic Convention. He also advised that the matter had been discussed during the day with the chairman.
